

MASADA BULLETPROOF TACTICAL BACKPACK

NIJ IIIA

The **Masada Tactical Bulletproof Backpack Full Body Armor Bulletproof Vest NIJ IIIA** may appear ordinary at first glance, yet it is capable of being rapidly converted into a bulletproof vest with the press of a button. Suitable for civilians, law enforcement, special operations, and military personnel, the Masada Backpack offers level IIIA protection against handgun rounds. Additionally, the vest can be further upgraded to resist rifle fire. Furthermore, the pack functions as an everyday backpack with a spacious main compartment featuring molle integration, as well as a separate compartment for items that require absolute concealment.
