

MASADA BULLETPROOF BACKPACK

NIJ IIIA

The **Masada Bulletproof Backpack Full Body Armor Bulletproof Vest NIJ IIIA** looks deceptively innocent on the outside, yet with the flip of a switch it transforms into a bulletproof vest within seconds. Suitable for both civilians and law enforcement personnel alike, the Masada Backpack offers level IIIA protection panels that protect against handgun rounds. Additionally, the vest can be upgraded to withstand rifle fire. In its standard form, it can be used as a regular backpack for carrying everyday items such as books, a laptop, etc. With its separate compartment, the wearer is assured 100% concealment when accessing the standard compartment for their EDC items.
